Diving in General

Extra dives (once you finished the pre-booked dives) can be paid directly in the dive centers. Dives includes tank, weight, belt, boat and guide. Other equipment is not included on the dive price but can be rented on the spot. For special day trip that quite far, there is an additional charge, which will be paid on the spot.

If your regulator comes with DIN connection you have to bring with you INT adaptor.

Unused dives will not be refunded in cash. We will issue a voucher, valid up to 3 years. It can be used in all Sea Explorers dive centers.

Alona ♦ Cabilao ♦ Dumaguete ♦ Malapascua ♦ Moalboal ♦ Siquijor

Non-Limit diving includes in general 2 Boat dives a day and non-limited house reef diving. Places without house reef (Malapascua) are possible to make up to 4 boat dives a day. Each day diving counts as Non Limit dive day no matter how many dives will be done. In all our dive centers, we offer dive course from Open Water course up to Divemaster. The Courses are possible all year round upon availability of the dive instructor. In Dumaguete we offer several times a year Dive Instructor Course.
